FORWARD CAREERS
DEVELOPING A THRIVING WORKFORCE

Looking for an Internship?
We Can Help!

If you are looking for an **internship to put your technology skills** to use, connect with us to make that happen!

Our **TechHire:WorkIT Internship** program gives you the opportunity to get an overview of a certain field or company, develop your knowledge and skills, gain insight into a certain role and a valuable set of contacts for the future.

HOW DOES THE INTERNSHIP PROGRAM WORK?

- You must be between the ages **17 and 29**

- Received a High School Diploma, HSED or GED

- Lack previous work experience in that field or industry

- Must be willing to work between **10 hours and 40 hours a week** for a total of 240 hours or 90 days, whichever comes first

- Earn at minimum **$16.00 per hour** while learning on the job

HOW DO WE HELP?

Our Business Solutions Team will actively consult with businesses throughout Waukesha, Ozaukee, Washington and surrounding counties in the **advanced manufacturing, broadband / finance / information technology, and healthcare industries** to secure paid internship opportunities that match your career interests and abilities!

Our Business Solutions Team will check-in and monitor to ensure you have a successful internship!
